

OUTSIDE COMMITMENTS SHEET
RA/SAB/AAC/SDA HIRING PROCESS -- CORBAN UNIVERSITY

The Community Life staff at Corban University are committed to both modeling and monitoring good leadership health. As leaders, we tend to over commit. This sheet helps create necessary parameters for healthy boundaries. Students who desire to serve as student leaders must be prepared to say no to potentially great leadership opportunities which can spread them thin in order to ensure their ability to stay healthy and serve effectively.

Individuals desiring to serve as a RA must first be full time students who show a commitment to academics. The SAB positions are 10hours/week while the RA/AAC/SDA positions are 20 hour/week role which leaves little room for other leadership opportunities. Using the form below, please indicate those responsibilities you already have (athletics, student teaching, internships, employment, volunteer positions, REACH credit, etc) and also those opportunities you hope to pursue. Any commitment that carries more than 10 hours a week must have supervisor approval before you will be considered for a student leader position.
